VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Asia oozes sex with her caramel skin, big clit and tight, pink pussy.

Practicing the Ananga Ranga With Asia

Dear Virgin Territory,

Hi there and good day to you! I hope all is bitchin' for you. A friend of mine gave me your mag (an older one—Feb. '09) and I was astonished to read that sexy, fine-ass model—"Horny in Heels" Missy—could only come across "minute men." When girls ask me if I'm one, I reply, "Yeah right, maybe a 20-minute man!"

Though older—52 years old—I've been there. Growing up in the 70's, I learned massage, the *Kama Sutra*, *Ananga Ranga*, *Joy of Sex*, etc. As well as being into martial arts, I have a hell of a lot of self-control and staying power. Missy would be the type of girl that I'd love to have as a hot, little fuck friend or girlfriend! This white boy's got a need! Missy can always be elected!

One more thing. You've got girls claiming to have big clits. How can I tell if it's true? You can have her pull back her clit hood and show it off!

Then, of course, there's sexy model Asia in the same issue (Feb. '09). Wow! Asia is one very fine-ass moth-

er fucker! Where can I find Asia? Her stats say West Virginia. Okay, maybe not her, but do you know another fine-ass girl almost exactly like her who lives closer to Seattle, Washington? Yeah, I know

I'm kind of picky, but I would love to practice the Ananga Ranga with her!

Thanks and keep up the good work with all of them sexy, tasty twats!—L.B., Seattle, Washington

Dear L.B.,

While we can't help you find an Asia lookalike in your town, we CAN help you see more of the Asia you already love. Like in Flat & Fucked #2, which features Asia

and her big clit getting dicked deep and is available for purchase on [eboobstore.com](#).

Training Bra and Cute Panty Fetish, Anyone?

Dear Virgin Territory,

Your DVDs just keep getting better. I am so happy about *Flat & Fucked #6*. I cannot wait to order it. Your girls are all so hot. They've made me cum so many times now, I can't count 'em all.

I have an idea for a DVD title/mag layout. Since you use flat girls, which I love, and panty pics, make a DVD called *Training Bras & Cute Panties*. This would feature girls with cute, little bras and little, teen girl panties. Show them fully clothed, then strip to panties and bras and then finally get

fucked. Just an idea. I'm also happy you did *Cotton Tail 2*. I love your *18eighteen* so much. Great job again!—J.M., Denver, Colorado

Dear J.M.,

We'll certainly take your comments into consideration. Enjoy this picture of sweet blonde Nina in her cute, cotton bra and panties.

Candy isn't too shy to flash guys that want to see her cute, flat chest.

Drooling Over Candy

Dear Virgin Territory,

Oh Candy, come to me so that I can cum with you. It is nice to see her again—and on the cover, too! We can make it a threesome when Ava joins us! What a bunch of horny little brats! I agree with the shaving photos.

More, please. However, I'm rather tired of seeing Mae and Molly so often! Bring more new girls, please!—Anonymous, Aberdeen, South Dakota

Dear Anonymous,

A threesome with Candy and Ava sounds like utter heaven. Sadly, they haven't performed together (yet) so enjoy this photo of cum-worthy Candy for now.

This Guy Must Like Them Extra Wet...

Dear Virgin Territory,

Since we're on the subject of eroticism, how about peeing? Babyface had peeing; why can't you show it now?

If you can't show peeing in the magazine, how about a DVD? Girls you could include: Ava, Candy, Jewel (both of them, really), Ali, Vicki. Something to consider?—Anonymous, via e-mail

Dear Anonymous,

We're still on the lookout for a teen hottie that will pee on-cam for us. Keep reading and we're sure you'll soon see what you like. For now, check out Natalie peeing outside in a rare, behind-the-scenes bonus image on the next page you're guaranteed not to see anywhere else!

He Loved All Of Our Horny June Teens...

Dear Virgin Territory,

Your June '13 issue was full of wonderfully hot teen girls! From the cover alone, I could already tell I was in for a treat: Alice looking smooth and fuckable spread across the cover and Ksenija in those pink panties. Once I saw Kennedy on the first couple of pages, I had to pull my dick out.

Every time I look at Kennedy's tight-but-soft cunt, the blood goes straight to my dick. She has the most beautiful, pouty mouth and pussy lips. Her tits look like they'd be a lot of fun to play with. I like

Many of our fans really enjoy watching teen girls urinate.

the pic on page 94. So sexy! And the cum shot page is pure gold.

But let's not forget about Alice! She's so shy looking, but then hearing about her losing her virginity made me think this little cutie might be willing to do lots more than other girls. Some of Bella's pics gave me an extra large rise: page 74 with her getting her ass rammed and the cum shot at the end. So fucking hot. And Jade's pretty sexy, too, isn't she? I'd totally fuck her if she'd let me. Thanks for the dirty pics!—E.W., Helena, Montana

A Happy Panty Winner

Dear Virgin Territory,

I just wanted to express my extreme appreciation, gratitude and many thanks that you picked me as the winner of Sweet Sindy's delicious panties, which I happily received last week. Honestly, I was very surprised and didn't even think I had too much of a chance of winning given all the letters that I'm sure you received from other guys trying to win them. Then a large envelope arrived at my house the other day and I knew I had won. You can only imagine how my cock went in to straight-up overdrive!

As I said I would in my entry letter, I have worn them around my cock as I jerk off to all her recent photo shoots and videos. Sindy is nothing short of spectacular in every single way and she has become one of my favorite 18eighteen angels. I hope you'll continue to feature this adorable babe. Please let her know this and all the dirty things I've been doing with her used, creamed-on panties. I hope to continue to win hers or other teen panties soon. Thank you so much again.—M.F., Camp Hill, Pennsylvania

Dear M.F.,

We're glad you're enjoying Sindy's panties. We're actually announcing two more winners of previous contests on page 5, at the start of Virgin Territory. This issue, we're giving away newcomer Aurora's panties (you can see her wearing them on page 44). Good luck!

This frisky brat's got detention again!

It's not that Lolly's a bad girl. She's just a horny one. Her favorite game as of late has been to see how many times she can flash the teacher her open pussy before he stops the lesson. Crossing and uncrossing her legs underneath her desk, she counted four glances before he finally caved and told the students to work on their projects. Then, he asked Lolly to come to his desk, where he had a detention slip written up for her and another note underneath: "I like what I saw. Show me more after class?" Looks like she was happy to show him more...

So was your plan to fuck the teacher all along?

"Kind of! I've played the peekaboo pussy game before, and usually he just got a boner and went to sit at his desk. I could tell he liked what he was seeing, but he was afraid of showing it in class.

I've seen him stare at my ass when I walk the halls before. He'd given me other detentions, but he never made a move. I couldn't stand the sexual tension anymore, though! So this time I just planted my ass on his desk, spread my legs and showed him how horny my cunny is! He fed me his cock after that. It felt so good and so big in my throat! Then it was time to fuck..."

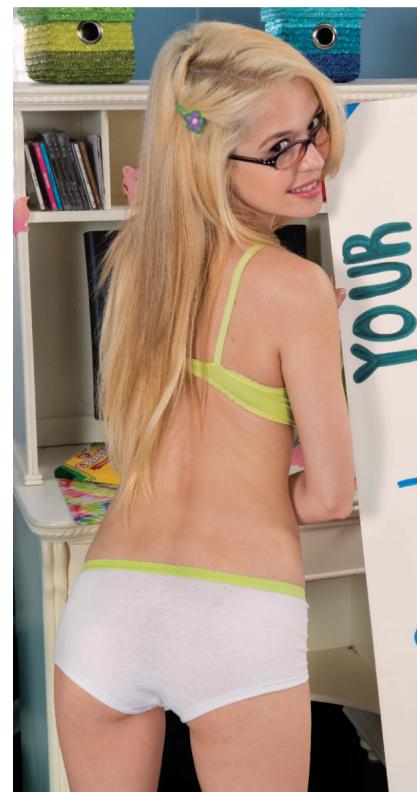

What was it like finally getting to fuck him?

"So freaking good! He ate me out for a long time, and it felt incredible. No guy has ever taken that much time on me. I loved feeling his tongue buried in my slit and having him play with my nips. They're really sensitive. His cock was a nice, big surprise. I figured he was at least kinda big, but he really stretched my cunny out. Feeling him pump away at me was amazing. I came four times! He was going to cum on my stomach, but I asked him to shoot it in my pussy instead. I wanted to feel it drip out all warm and sticky. I can't wait for my next detention!"

Hey Tiffany, what made you want to run for class president?

"It kind of all started with this hot guy in my class. He's actually the class president now, and I'd been trying to get him to notice me, but I didn't know how. I figured since I was the only girl running, he would definitely notice me. And he did! We had a debate after school last week, and I kicked his ass. Afterward he came by and grabbed my ass and said, 'Nice job.' Since then, we've made out a few times between classes, and I'll probably let him fuck me soon. He's been making me so horny lately. I can't wait to fuck!"

HEIGHT: 5'6" **WEIGHT:** 103 lbs.
BRA SIZE: 32C **BORN:** March 14
LIVES: Los Angeles, California

You said you had more reasons for running?

"Yeah, it's pretty fun actually, and when I win, the first thing I'm going to do is get rid of the dress codes in our class. I'm tired of not being able to wear my short shorts and tank tops to school when I want. They're always trying to keep all us girls covered up! I wish I could come to school naked, but at least changing the code would be a start."

Well, you've earned our vote with those round tits and that pink pussy!

"Thank you! That's part of why I did this. I imagine at least the boys, and maybe even the lezzie girls, might see this magazine and realize I'm willing to do whatever it takes to become their class president. I don't think that there's anything wrong with letting voters see my titties and my cunny, and if it makes them horny enough to vote for me, then it totally worked! Remember: If you want to see more teen slits up close, vote for me! A vote for Tiffany is a vote for pussy!"

SWEAT

A detailed illustration of a firefighter's uniform. It includes a dark green helmet with a gold-colored number '7' on the front, a matching jacket with yellow reflective stripes on the cuffs and hem, and red trousers. The background is a textured grey.

Jessica was tired. Tired of fooling around with inexperienced boys. Overconfident boys. Boys who didn't know the most important thing about her—how to make her cum. So when she gave an older guy the chance to rock her world, the last thing she expected was that one fuck could get her so...

Bent out of shape

By Joe Monks
Illustration by Otis Sweat

A bead of sweat rolled down Jessica's chest, trickling between her small boobs. Kyle pulled his fingers out of her pie and licked off her juices. The scent of ripe, wet pussy flowed into their nostrils. She was dripping—her muff mane plastered flat around her pink, the hair sticky with dew. Kyle's cock pointed skyward, ready and waiting to get inside her.

She was straddling him, wearing only a scrunchie to hold back her hair. Kyle was breathing heavy, some of Jessica's spit still glistening on his shaft. She pulled the condom package off the couch, pinched the corner between her teeth and tore it open to reveal the rubber.

Kyle smiled, but it looked forced. Jessica didn't think anything of it. Her ex-boyfriend, Will, had tried to convince her they didn't need a rubber. After four dates, she knew why. Will couldn't last long enough to get from her mouth into her pussy, despite all his big talk about the other girls he'd been with. Jessica wondered why none of them had warned her about him. She was friends with some of them. Did they really not care that she was hooking up with a total dud?

But Paul, her first boyfriend...well, first serious boyfriend—the one she'd decided was worth giving up her cherry for—hadn't been any better. He'd managed to lick her to an orgasm or two during the two months they'd dated, but he just plain wasn't good at eating pussy, and when he'd first offered, she'd expected a heck of a lot more. She'd been able to jack him off in under five minutes that first time in the back of his car, but he'd wound up resorting to his fingers after 20 minutes of pitiful pussy-lapping. And when they'd finally fucked? Well, Paul should have been on one of the school's sports teams. They weren't called

the Minutemen for nothing...

She worked the condom onto Kyle's prick, excited for what was to come. They'd only been going out a couple of weeks, but Kyle was cute, and even though he wasn't as big as Will, feeling him rub against her when they were rolling around on the couch had gotten her motor running.

She hadn't been planning to fuck him. Blow him, maybe. They'd been together long enough for her to suck him off, but when he'd flashed the Rough Rider while they'd been making out on the couch in his parents' basement? It was just what she needed to get her horny enough to fuck.

Truth was, she wanted to get laid. Really laid. Not that fumbling, first-time, 90 seconds stuff like with Paul,

pubes mashing against one another as she began to ride him. It felt good. She was greasy-slick down there, so hot that all it would take to get her off would be a couple of minutes of good, old-fashioned bump-and-grind. She'd masturbated enough to know that her first orgasm wasn't that far off.

Kyle shut his eyes, concentrating hard. Jessica moved a little faster. What she wanted to do was grab his hands, letting him hold her in place while she bounced up and down like a cowgirl trying to break a wild horse. She held off, though. No need to hurry. They could get to that in a few—

"Ungh!"

Kyle thrust up into her, hard enough to lift her off the floor. She arched her own back and tried to keep

thighs while she went down on her sounded pretty awesome.

Still, she couldn't deny it. She had a thing for dick. She craved a guy that could satisfy her as she drove her middle and index fingers as deep into her slot as she could. Working her nub, she flashed between the two possibilities. Having Terri Reardon eat her out and having a guy—some unknown, faceless guy—fuck her until she screamed out, "Mercy!"

Ass cheeks clenched, Jessica came with such force she yanked loose the fitted sheets. Lying there spent and tangled in her blankets, she fell asleep, dreaming about a

She wanted to go home, strip, and maybe masturbate in a bubble bath. There were two lonely-looking bananas left on the produce table, and they'd gotten her to thinking about making a fruit cocktail...in her pussy.

but good and fucked. Fucked until she came, even if it meant burying her face in a cushion because Kyle's parents were light sleepers and they didn't want to get caught. They were both barely 18 and there were lots of senior high events coming up that neither of them wanted to end up missing on the chance their parents decided to mess things up.

She wriggled up Kyle's thighs, her snatch molding around his Latex-wrapped tool. Jess wondered if Kyle had been lying. He looked nervous. Maybe he hadn't banged Sheryl Deane after all. Then again, Sheryl hadn't exactly denied the story.

She rose up on her knees, Kyle's cock poised against her swollen lips. She sank down onto him, feeling his dick part her curtains, closing her eyes, reveling in the sensation as he entered her and letting out a gasp.

"Oh, yeah," she cooed softly.

Kyle fondled her titties, palming her B-cups, kneading her full nipples. They were as hard as he was, dark and totally erect—the way they got when she played with herself when she really, really needed to cum.

Her twat swallowed him up, their

it going, but she knew she wasn't going to be able to make it last until she came. Disappointed, she rolled her hips and gyrated like a stripper, trying to get as much out of his dick before he was completely flacid again.

Damn, she cursed silently, thinking of how close she'd been this time.

"Just drop me off," she said to him, eager to get home and finish the job.

Maybe I'm a dyke, she thought spreading her legs wide in her bedroom, middle finger buried in her twat. Maybe girls ate pussy better. Made sense. If you knew how to make yourself cum, you can probably make other girls cum hard, too.

She thumbed her clit. Kyle apologized for not living up to his promises. She'd told him it was okay—even though it wasn't. Better than being a bitch, she supposed. But they were done. She was tired of guys who talked the talk but couldn't walk the walk. Terri Reardon was a lesbian, or so the rumors went. Maybe she should try that, see if she rolled that way. Plus, Terri had a rockin' bod, and a killer sense of style. Nice hair, too. Jess thought that having Terri's long, blonde locks spread out across her

lover who could finally give her the orgasms she'd been waiting for.

Jessica's cell phone vibrated. Back at work, she glanced around and made sure the coast was clear. Not that the grocery store was busy. Just the opposite. Her shift had been as boring as watching paint dry. Seeing she had another twenty minutes to go before she could count out her drawer was mind numbing. She wanted to go home, strip and maybe masturbate in a bubble bath and make herself cum. There were two lonely-looking bananas left on the produce table, and they'd gotten her to thinking about making a fruit cocktail...in her pussy.

The cell buzzed again. One new text message. Maybe it was Terri texting her out of the blue, wondering if she'd come over tonight for a little girl-on-girl 69 action. If only....

Nope. Kyle again. His parents were going out and would she like to come by after work so they could sit around and not-watch a movie together?

"Yeah, right," she said, hitting DELETE. The bananas were only .79 cents, she thought, and they would certainly never leave her hanging...

You look a bit different since last time, Chloe...

"I went blonder. I've had so many guys hitting on me now—it's awesome! And I just started at this new school and I'm the only blonde girl in class!"

Do you like standing out like that?

"Are you kidding me? I love the attention! Guys let me skip ahead in line at lunch, and they're always opening doors for me. I've dated and fucked a few of them. I like to fuck at least once a week, and I haven't been able to find a guy that can keep up with me. Only a couple of them went down on me or made me cum. I need a real man to fuck...."

"[Laughs] Where should I begin? A fuckbuddy of mine and I used to hit the park a lot and we'd fuck on the benches at night. It was always pretty thrilling, waiting to see if we'd get caught. I also took the virginity of one of my boyfriends. He had just won his wrestling competition for state and watching him got me super horny, so I fucked him as soon as we got on the elevator."

Since you're the expert, tell us: How do slutty schoolgirls like to get fucked?

"Well, maybe. I wouldn't mind going on a few dates to try it out first. I don't know if I'd have time for anything serious, but I wouldn't mind having a boy kiss and lick my cunny. I had a friend do that to me once, and it felt really good! I got so wet; I was totally gushing in his mouth! He said my pussy juices taste like honey. I think that's what my cunny's craving these days—some affection from a horny boy's tongue. Or maybe even a sexy girl. I just need someone to give my pussy a good lapping! So who wants the first taste?"

BENT OUT OF SHAPE

Continued from page 30

A cart squeaked. Thank goodness, she sighed to herself, grateful for something to break the monotony.

A guy came out of the cereal aisle. Mid-30s, maybe. A regular who she'd checked out once or twice before. Dave, she thought. Wait...not David. Danny. Dennis? No. Denny, that was it. Denny. The firefighter with the local hook and ladder. Not bad either for a guy twice her age. Nice ass, too, she noticed, as he slowed down by the—oh, no! Really? The bananas? This was definitely not her night.

He rolled up to the register, deposited the carton of milk, box of Cheerios and her two bananas on the belt. Jessica sighed and began scanning.

"Something wrong?" he asked. Jessica flashed a wry smile, dropping the bananas into a paper bag.

"Gonna be a dull night, thanks to you," she said, trying not to sound serious. Denny arched an eyebrow. It took him a second, but with only three items, he caught on quick.

"Oh, reminds me," he said, holding up one finger. "Be right back."

"Oh, I don't know," Jess said sarcastically. "You'll hold up the line."

He returned and dropped a package of hot dogs onto the conveyor. Jessica looked at them skeptically.

"Something...wrong?" he asked again, a hint of a smile playing across his lips. She shrugged. Held them up.

"Sabrett," she commented. "Not bad, but you should've gone for Ball Park. You know, the ones that get bigger when you get

them hot? Those are the best."

"You know," he said. "That's what I was thinking. But...you're all out."

"Someone must be having a party I guess," she shot back, straight-faced.

"Guess it's going to be an awfully dull night for you then, huh?"

Jessica dropped the franks on the belt, missing the bag entirely. Score one for him, she thought, feeling heat in her cheeks. She hadn't expected that. She was trying to think of a comeback when the store PA system crackled. Five minutes 'til closing.

"Well, uh, have a good night," she said, condemning herself instantly for the lameness. Denny shot her a smug smile. He knew he'd gotten her.

She was cashed out and through the back door in 10 minutes, still kicking herself. How could she have let him turn things around on her so fast? She'd have had a lightning-strike comeback for any of the guys at sch-

She stopped, staring at the mysterious, new item on the hood of her car.

There was a single banana sitting on it with no owner nearby. She walked over and picked it up.

Funny. It felt a little mushy. She frowned down at it, not hearing the engine idle as the SUV pulled up. In her driver's window, she saw him eyeing her. She held up the fruit.

"I see you've gotten off work," he said. "Would you like to stop by my place for a bowl of cereal, perhaps? I have a banana that we could share."

There was that hint of a grin again. Jessica felt her cunny begin to ooze like melting ice cream. She didn't know what to say. He looked good, sitting there in his truck. Her brain stalled, just like it had back at the register. She stayed silent a beat too long.

"That's okay," he said, giving her a nod. "I understand. It's alright—"

She was around the front of the SUV and clambering into the passenger seat like a track star. Her cell vibrated again, only this time she just ignored it.

"Actually, I'd love to share your banana," she said with a wink and a smile. Off they went.

He only lived a few blocks away, close to the firehouse. They were barely through the door when he slid the milk into the

'fridge, quickly tossed the Cheerios on top of the counter and then dumped the banana on the table.

"I thought we were going to be eating that," Jess said, smirking. Denny stepped in, wrapped an arm around her waist, kissed her and then heaved her over his shoulder with ease in what else? A fireman's carry.

"Ack!" she squealed, enjoying the view. Watching his ass—even upside-down—while he jogged up the stairs wasn't something to complain about.

"First I thought we could work up an appetite," he explained, carrying her into the bedroom and setting her down gently on the king-size bed.

"And..." she teased, staring up at him with lust in her eyes. "How exactly do you propose we do that?"

Denny pretended to think about it. Then, he snapped his fingers.

"I can think of a few ways," he answered, pulling off his shirt. Jessica was delightfully impressed. Denny was more buff than he looked. She was suddenly eager to be topless, too.

"Like...?" she said, keeping it up. Denny had a ready response.

"By fucking you senseless, of course," he said, unzipping his pants.

Jess knew firefighters could change clothes quickly, but Denny was buck-naked so fast, she felt like she'd missed part of the show. Not that she had any time to feel bad. Her eyes were glued to Denny's sizeable cock, which seemed to be looking for someplace tight and warm to hang out.

She wasn't nearly as quick as he was stripping, but Denny didn't seem to mind. She watched him watching her and saw the look on his face when she lay on her back, her boobs exposed, using one leg to push off her pants. He liked her undies, that was for sure. White and cotton and plain as could be, but practically transparent in the crotch. Even Jess was surprised by the extent of her wetness. She was sporting quite the cameltoe before peeling off her bloomers.

She sat back up, reaching for her ankle socks. Denny didn't wait. He stepped in, his stiff cock brushing her cheek. Her mouth opened just a little.

Fuck the socks, she thought, reaching for his boner. She wanted to taste him. She was guessing that she could suck him off for a good, long time and still have to work to get him to jizz in her mouth. Before she could grab

"Fuck me with that big cock of yours!" she spat, the dirty talk spilling out of her mouth like unswallowed cum. "Yes! Yes! Get me off! I need you to make me cream!"

hold of his throbbing meat, though, he had her leg draped over his hip, aiming his man-missile right at her love silo, her hips writhing.

Denny met her gash with a sloppy sound, pushing past her lips and entering her fuckhole in one smooth motion. Her tightness held him up, but only for a second. In-out, in-out and her muscles gave way, the sheer thickness of him making her suck in a breath. Denny's cock wasn't just long, it was also fat. She wasn't sure she could get her hand around his shaft, although that didn't tell the whole story. Jess was tiny. Five foot nothing. She could still fit into the sneakers she'd started Jr. High in, and her hands...well, let's just say palming a basketball wasn't in her future.

Palming Denny's nuts, however—those were in her hands now. He grunted with pleasure as she fondled them and simultaneously guided god-only-knows how many inches of dick into her snug tunnel. She threw her head back and stared at the ceiling, enjoying the way Denny filled her cunt. There was no doubt about it, she knew—if Denny could hold off for

three minutes, he'd be the best fuck she ever had. She was already excited and had been since back in the parking lot. It wouldn't be long before she drenched his sheets.

He slammed home, thighs slapping against her ass cheeks as he hit the mark. Jess heard herself moaning, unable to control herself. She flashed back to Kyle and all his big talk. What a disappointment. If he'd been able to do this, his parents would have been breaking down the basement door!

No such worries here, though, so Jessica took advantage. She had wet dreams about noisy sex, but even with the three guys she'd fooled around with, it had never happened. And she couldn't just start wailing at home, touching herself in the dark with her parents in the next room. But here? Now? Oh, yeah. Oh, hell yeah!

"Fuck me with that big cock of yours!" she spat, the dirty talk spilling out of her mouth like unswallowed cum. "Yes! Yes! Get me off! I need you to make me cream! One more sec!"

He sure liked that little curve-ball, giving her a playful swat on the butt, her lube frothing around his nads.

It was good. Too good. Jess' orgasm hit like a speeding freight train. She pounded her fists into the mattress, bucking and jerking and howling at the top of her lungs. This was it, this was what she'd imagined sex would be like—first with Paul, then with Will and finally with Kyle. They'd each gone on and on about what they were going to do to her, how good it was going to be. But none of them had what it took. Denny? He hadn't said anything. And now he was tearing it up, turning her snatch into a sloshing, pink Slip 'n' Slide for his dick.

Her leg rode up his hip. Denny reacted so it would slide back down, but she pulled it higher, pointing her toes at him. He kissed the crinkly sole of her foot and then up to her calf.

"Higher," she begged, which slowed him up. He ran his fingertips down the back of her leg, making her shiver. He could feel the goosebumps. When he got to her heel, he brought it up until it rested on his chest.

"That's all?" she said, lips pouty. Denny thrust his full length into her, eliciting a squeak. She was on the

Breakfast of Champions

Hi, Lacey! Tell us about yourself...

"I may not be blonde, but I'm a true California girl. I love surfing and dirt biking and skating, and I like to go up to the mountains for some snowboarding when I can. I also paint, sing and play the piano a bit. I guess you could say I'm a high-energy kind of gal. That's probably why I never, ever skip breakfast. I also never skip cumming in the mornings. Some days, though, I wake up in a rush, and I don't have much time for all the things I like to get done. So it's not too weird for me to diddle my pussy at the breakfast table. Luckily, no one ever really seems to mind."

We don't mind at all. Besides, your pussy looks so tasty!

"Thanks! I'll always ask guys to make me breakfast when I sleep over. Even if it's just a bowl of cereal and milk—that's actually my favorite. It works out great 'cause then he'll just eat my pussy for his breakfast."

verge again-had been without even knowing it. Denny pulled out. Slowly. Very slowly. Only the head of his cock was still in her trench. He brought her foot up higher, and her leg with it. Now, the back of her calf rested against his shoulder. She brushed his ball sac with the top of her other foot. This time, it was Denny's turn to tremble a little. She ran her arch up to his nipple, ran her big toe over it. Denny reached for her leg, then hesitated. She let out a small moan.

"Don't worry," she urged. "Bring it up higher, baby. I won't break."

But I might cum again, she thought. Denny threw her ankle over his shoulder, the adjustment pulling his cock even deeper into her box. Jess was happy to show him how flexible she was. Clearly, it was a big turn-on for him. When he started pumping in to her tunnel again, he banged her like he was running out of time.

Jess rocked her hips, pushing her ass up off the bed. She gripped her own cheeks, pulling them apart so that she could take every last millimeter of him. The tip of her index finger brushed her asshole. Did she dare?

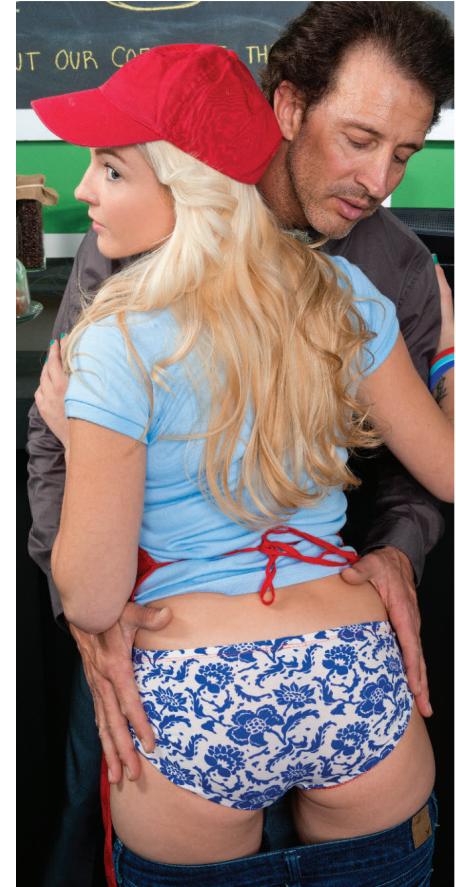

She didn't want to give him the wrong idea. She couldn't possibly take him, not that way, but she wasn't opposed to knocking on her back door with her free hand while fingering her clit with the other. Dipping a finger into her booty wasn't something she did often, but when she was about to climax-as she was right now-she knew it could take an orgasm to epic new heights.

She glanced up to find Denny staring. Uh-oh. What was he thinking? He didn't make a move to start exploring with that huge erection of his, which eased her initial worry considerably. She liked the look in his eyes, though, and she wanted to show him something really special.

Her middle finger pressed against her puckered brown-eye, forcing the ring of muscle to give a little. Denny continued plowing into her silky slit. She gave it some more pressure, then a little more, and more, and...

Boom. It happened. Her middle finger plunged into her ass, just as

Ashley
Boning the Barista

How do you like your after-school job, Ashley?

"It's pretty great! This guy Tony has become a regular here. He started coming in a few weeks ago—always gets a large coffee with a double-shot and always leaves a big tip, too. One night, he came in right as I was closing up shop, and he started hitting on me. He's pretty hot, so I didn't mind, and next thing I knew, we were making out. Then he tore off my panties and stuck his tongue right between my pussy lips. It felt incredible. I knew I had to return the favor, so I was happy to suck on his cock, and I even licked his balls. I'd never done that before, but he seemed to like it! I haven't been with many older guys. It's kinda nice, though, because they just know how to take their time."

Who was the first older man you were with?

"I slept with my ex-boyfriend's dad once. It was maybe a week or so after we broke up. He'd decided he wanted to date some other girl, so I told him to fuck off. But one day I went by his house to go pick up a box of my things and his dad answered the door. He said my ex had left the box with him, and then he asked me if I'd like to come in. No one else was home, he told me, and so I said sure. We sat down on the couch for a bit to chat since I used to always talk to him when I was dating his son. Then I noticed he put his hand on my knee, and I knew...."

After all your experiences, do you prefer older guys or younger guys?

"I think I still need to have more sex to decide. I've only been with a few guys, and I already told you about two of them. So far, the older guys have made me cum more, so they're winning. I'm open to any young guys who want to prove they're better, though!"

BENT OUT OF SHAPE

Continued from page 68

Denny sent her over the edge. Her muscles clenched, the way her lips had locked around Will's cock the first time he'd jizzed inside of her mouth. They were at her house, in her room, and were supposed to be studying. She hadn't been sucking him for more than five minutes when he'd started to shoot—totally without warning. Jess couldn't risk taking him out of her mouth. There was no way she could explain a cum stain on her blouse to her mother. No way.

So, she clamped down as hard as she possibly could, sucking and swallowing and guzzling his nut butter until he started going soft. Only then did she loosen up. The effort had left a red band around his dick.

Her pussy gripped him like one of those trick Chinese finger cuffs. Her butthole...well, at that moment, Denny would have needed the jaws-of-life to get her finger free.

And still he kept going. The fuck was the single greatest feeling she had ever had in her entire life, only now Denny was leaning into it, really working her over. Her hips tilted upward to meet his thrusts. Denny let some of his weight shift onto her legs.

God, but he was in her deep. Her clit was pulsing, like it had a heartbeat of its own. Denny bent at the waist, hovering over her now, turning her into some kind of human bendy-toy.

This she could handle. She took a deep breath, made an effort of will and extracted her numb finger from her butthole. She cupped her calves and pulled back, ankles behind her ears, taking all of Denny's weight.

His groin slapped her button, sending a wave through her. She was folded practically in half, her cunt lips spread wide, Denny's thick cock buried within her to the root.

Her last orgasm? She couldn't quite be sure. When it was over, she wasn't certain she'd experienced it. It was more like an out of body experience. Like watching the raunchiest porno clip you'd ever seen on the Internet, only she was watching Denny turn her into human Jell-O. She came, and hard, she knew that much. But for how long or how many times was

Alice

Naughty Academy

Alice just transferred into a new school...

She's excited to be starting her first day of classes. She's been wondering what her new courses will be like, her new professors, her new classmates and whether she'll quickly fit in. She was a cheerleader in high school, so she's not too worried. And at least she knows how to get on all the boys' good sides. Alice's innocent looks can't hide her true bad-girl side. She's a horny little teen on the prowl!

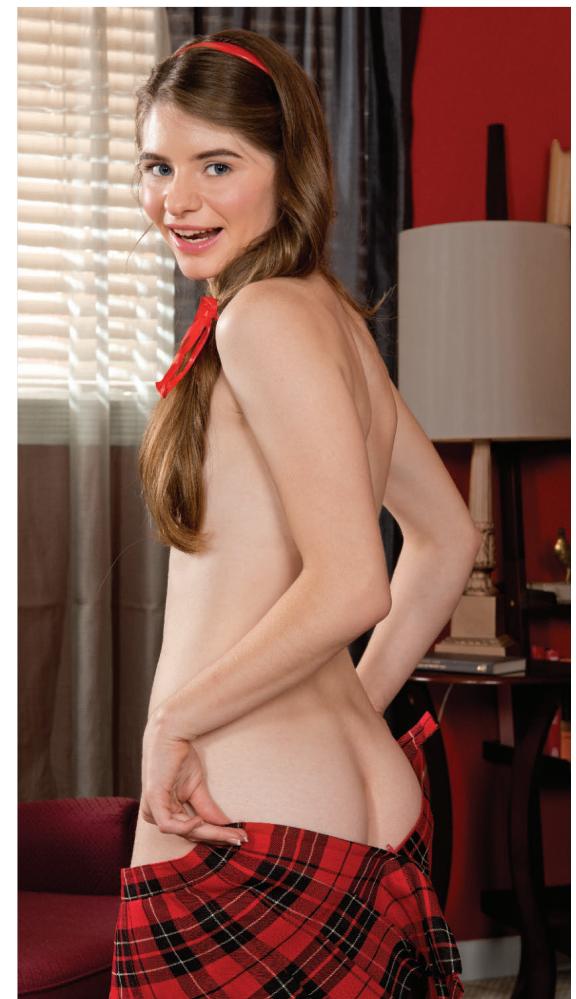

**You look like

Alice! Are
you sure
you're really
naughty?**

"I look super sweet, don't I? But the only really sweet thing about me is my pussy. I used to be super shy but then I realized it can be more fun just going after what you want. Ever since I started having sex a few months ago, I've become addicted to cock! That's why I'm glad to be out of high school. I got caught eating out the head cheerleader after graduation near the school. If we were still students, we would've gotten expelled!"

Wow! So you like to fool around with girls, too?

"Definitely! Girls are totally hot, and Jamie, the cheer captain, was drop-dead gorgeous. She had really big tits even though she was as short as I am, and her pussy was so soft and wet and sweet. I don't like limiting my fucking just because someone's a girl or boy. Besides, I've had a threeway before, with my softball coach and one of the girls on my team. He kept us both after practice. We blew him and then he fucked both of us from behind. One of the best times I've ever had! I love getting it rough, especially from older men."

pretty much anybody's guess.

Denny gulped air, and Jess focused on his face as he tried to hold out.

"Now, now," she wheezed, still out of breath. "Don't keep me waiting."

He pulled out, and her cunt muscles contracted like a snapped rubber band. She half-came as Denny grabbed his rod, stroking it until it spurted out a fucking pint of cum, shooting so hard that it stretched from her belly all the way to her cheek.

Okay, maybe not a pint. But an awful lot of nutsauce wound up on her tits, her stomach, her throat, her face...it was pretty much everywhere. And for Jess, wearing it all over her glistening body was incredibly sexy.

He let Jess clean up first, then hopped into the shower while she got dressed. She watched him for a few minutes before deciding that was a bad idea...unless, of course, she wanted to explain to her folks exactly where she'd been until sunrise.

She spotted a framed photo from a recent fireman's picnic in the hallway. She recognized some of the kids whose parents were on the department, or who were on the volunteer squad. One face jumped out at her.

"What's up?" Denny asked, coming to join her. Jess was still staring at the photo where Terri Reardon was eating a hot dog and looking pretty chummy with the guy she was standing next to. Another fireman. Hmm...

"Nothing, I just spotted a friend from school in your photo," she said.

A friend she'd have lots to talk about with at school on Monday.

"Ready to go?" Denny asked. Jess nodded, following him out the door.

Ready to ask Terri about eating pussy? Ready to have a three-way with her? Maybe. Not just yet. But by Monday? She didn't have to work. Maybe Terri would like to come over after school to study or something.

"What're you smiling about?" Denny asked, holding the truck door open for her. She sat down inside.

"You'll see," she said with a slight grin, not wanting to give it away.

"Really?" he asked, making his way around the truck to get inside.

"Definitely," she promised, belting herself in. "Soon. Real soon."

Gina
Anal Lessons

**Gina has been getting a
lot of after-school help
from her math teacher...**

She's actually not a bad student. In fact, she's the top student in her class. Mr. K noticed how bright (and how hot) she is, so he asked her if she could stay after class one day to help him grade papers. This wasn't the first time a teacher asked her to stay after. She already knew what he really wanted...

What kinds of lessons is your teacher giving you exactly?

"He's been giving me lessons on how to give a better blow job. I'm getting better at deep-throating cock and learning which parts are more sensitive when I glide my tongue over them. We've also been training my pussy a lot. I do Kegels every day now during class. Mr. K passes by my desk sometimes and leaves me notes so I can show him my pussy under my desk, and I'll do the Kegels as he watches. He's the best teacher ever. We fuck daily for hours after class. He's taught me how to last longer than I ever knew was possible."

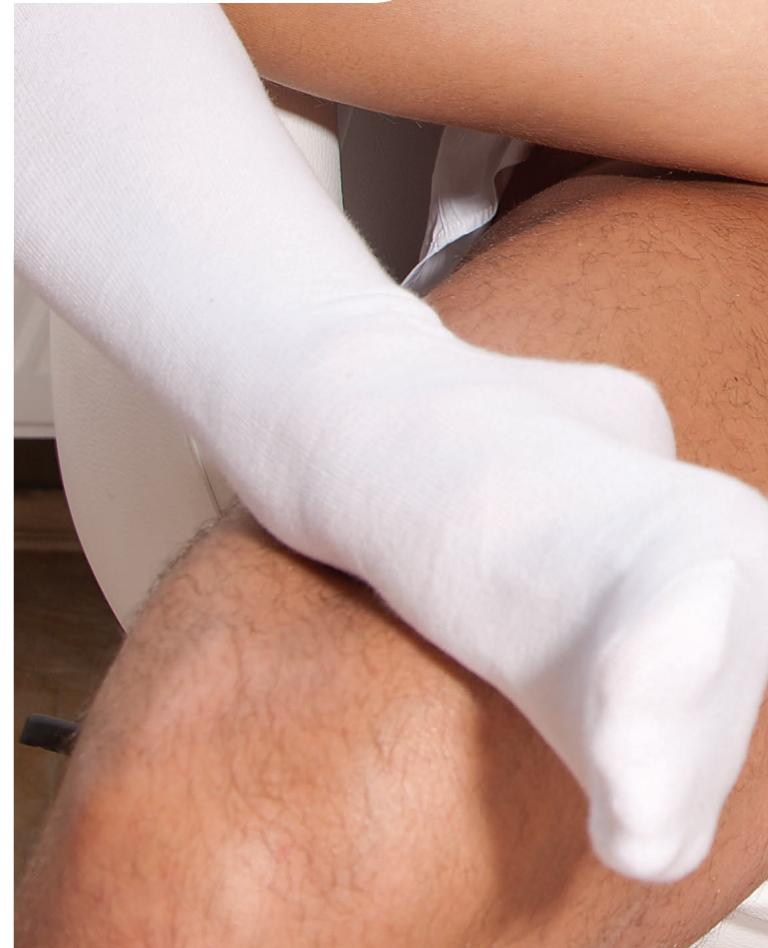

HEIGHT: 5'2" **WEIGHT:** 95 lbs.
BRA SIZE: 32A **BORN:** May 7
LIVES: Prokopievska, Russia

Has he taught you anything else?

"He introduced me to anal play and anal sex. I'm pretty open to new things, but I was a little scared it would hurt too much. He has a really big cock, and I didn't think I'd be able to take it. He was good about warming me up, though, and making sure we had plenty of lube. He started me off with fingers and toys..."

How do you like that big cock in your ass now?

"As long as he starts off slow, it feels incredible! I have the most intense orgasms while he's still inching his way in to my asshole. I'm really loving my anal lessons!"
